MISSION STATEMENT

Wendy Borrowitz Art School is committed to increasing opportunities for all people to participate in ARTS EDUCATION PROCESSES introducing the concepts of making art and learning with their hands.

We are dedicated to promoting the importance of the art education because understanding the arts we inspire our creativity, improve self-esteem and help ourselves to find a way to reach our goals.

Our mission is to provide an ART EDUCATIONAL PLATFORM to enable people to realize their potential, where they are encouraged to explore and to create in order to enrich their life and broaden the life of their community.

The world needs men and women who continue to grow and develop, regardless of their ages, nations, ethnic group or social background.
